With freedom comes responsibility, a responsibility that can only be met by the individual.
Fundamental Axis mundi theorem
Hidden rules for learning
Freedom and Responsibility

A fundamental non balance!
Everybody in the class shall
Be of the same age
Do the same thing independently of level and talent
Use the same learning tool, regardless of context
Follow the same curriculum
Be judged in the same way
Give the same, and important, the right answer to questions asked
Be quiet ad sit still (unless they are adressed)
Concentrate (i particular on what the teacher says)
Can ESD create motivation
Not knowing is bad. Not wanting to know is worse.
-African proverb

Humans have an innate desire to learn.
Jerome Bruner
How to create inner motivation?
Jerome Bruner: Humans have an innate desire to learn

Curiosity -
Jerome Bruner: Humans have an innate desire to learn

Curiosity - Control -
Jerome Bruner: Humans have an innate desire to learn

Curiosity - Control - Mutality
Inner motivation?
